NOW THEREFORE, in consideration of the premises and of the benefits accrued and to accrue to the undersigned by reason of the Covenants, Conditions and Restrictions imposed upon said real estate as hereinafter set forth, and as part of a plan for the use, improvement, development, sale and purchase of said real estate, the undersigned do hereby stipulate, agree, and declare that they, their heirs, executors, administrators, successors, and assigns, do hereby subject and bind the aforesaid real estate to the following covenants, conditions, and restrictions, and do hold each and every Lot above described, proportion thereof, for use and sale, subject to the following covenants, conditions, and restrictions and do declare that no Lot or Lots above described, or portion thereof, shall be sold, used, or conveyed by them, their heirs, executors, administrators, successors, or assigns, except subject to the following covenants, conditions, and restrictions, whether expressly stated in the deed of conveyance or not, to wit:

1. **TIME PERIOD AND ENFORCEMENT OF RESTRICTIONS.** These Covenants and Restrictions are to run with the land and shall be binding on all parties, and all persons claiming under them, until July 1, 2025 at which time said Covenants and Restrictions shall be automatically extended for successive periods of 10 years, unless by a vote of all of the Owners of at least 67 percent of the lots, it is agreed to change said Covenants and Restrictions in whole or in part. These Covenants and Restrictions may be rescinded or amended by the undersigned, in whole or in part, until 80 percent of the lots in the subdivision are sold or ten years after the first lot is sold, whichever comes first. Each lot shall have one vote to be cast in the aggregate as agreed by and between the owners of the Lot. Thereafter, these Covenants and Restrictions may be rescinded or amended at any time prior to July 1, 2025 or thereafter, by approving vote of all of the Owners of at least 67 percent of the Lots, which shall be effective upon recording of said rescission or amendment, together with an affidavit certifying said vote by the secretary of the Homeowner's Association herein below established, in the Recorder's office of Madison County, Illinois. The officers of the developer will be the Architectural Control Committee for each lot in the subdivision until an occupancy permit has been issued on such lot, this is not subject to rescission or amendment unless agreed to by the developer (see item #4). If the parties hereto, or any of them, or their heirs, successors, personal representatives, or assigns shall violate or

attempt to violate any of the Covenants and Restrictions, herein, it shall be lawful, and power and authority is hereby given, to any other person or person owning any of the above described real property, or for the Homeowner's Association, without further authority or direction, to enforce, or to prosecute any proceeding at law or in equity to enforce these Covenants and Restrictions, or to prevent any violation thereof, or to recover damages resulting directly or consequentially from such violation, together with expenses, court costs, and attorney's fees incurred in such proceedings. Invalidation of any one of these Covenants or Restrictions, or any portion thereof, by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

2. **LAND USE AND BUILDING TYPE.** No Lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling, not to exceed two stories in height, excluding the basement, plus an attached garage.

3. **SIDEWALKS.** The Owner of each Lot shall construct a sidewalk (or sidewalks), on such Lot, when and as required by the City of Edwardsville, at such Lot Owner's expense. If any Lot Owner fails to complete said sidewalk (or sidewalks), and deliver a letter from the City of Edwardsville approving said sidewalk (or sidewalks) within 60 days of demand, then the Homeowner's Association may complete said sidewalk (or sidewalks) and bill the cost thereof to said Lot Owners; if not paid within 30 days, a lien may be filed, which will then attach to said Lot in the same manner as Section 20 below.

The City of Edwardsville requires that all sidewalks be maintained in accordance with the City of Edwardsville then current subdivision control ordinance by, and at the cost of, the homeowner. This obligation shall exist whether the sidewalk is constructed on private property, on the road right-of-way, or partially on each. In the event the homeowner fails to repair or maintain the sidewalks as herein provided; the City may make said repairs and charge the cost thereof to the homeowner, and/or as a lien upon the real estate where said repairs were made. The City of Edwardsville shall have the power and authority to maintain an action to foreclose upon said lien.

Within 36 months of approval and acceptance of responsibility by the City of Edwardsville for maintenance of streets and utilities within a development phase of the subdivision, the undersigned shall commence installation of sidewalks on any Lots then owned by it within such development stage, and such installation shall be completed within 12 months of commencement.

4. **BUILDING LOCATION.** No building shall be located on any Lot nearer to any street line than the building lines shown on said plat of the subdivision and in accordance with the ordinances of the City of Edwardsville. No structure shall be located closer than ten (10) feet from any side lot line, or closer than twenty (20) feet on any corner side lot line (adjacent to the Street), or closer than thirty (30) feet from any rear lot line. However, where more than one lot is used for the construction of one dwelling overlapping the lot lines, the side line restrictions are hereby waived as to the lines between said combined lots, and the combined lots shall thereafter be considered one "lot" for purposes of these Covenants and Restrictions. For purposes of the setback requirements herein, eaves, steps and open porches shall not be considered a part of the building, provided however, that this shall not be construed to permit any portion of a building, on a Lot, to encroach upon another Lot.

5. **PLANS AND SPECIFICATIONS.** An Architectural Control Committee is hereby established, which shall initially be comprised of the officers or the appointees of the undersigned Vicksburg Development, Inc. The following documents shall be submitted to the Architectural Control Committee for approval prior to the commencement of any site preparation or construction on any Lot and also to the City of Edwardsville for obtaining proper permits, to wit:

The officers of the developer or its appointees will serve as the Architectural Control Committee until the developer specifies, or the sale of 67% of the lots, whichever comes first. Commencing no later than with the sale of 68% of the lots in the Subdivision, the Homeowners Association herein below described shall elect three members of the Architectural Control Committee. This committee shall have discretion in the approval or disapproval of any lot that has had an occupancy permit issued on it. However, the officers of the developer shall have absolute discretion in the approval or disapproval of any structure in the Subdivision pursuant to these covenants and restrictions on each lot until an occupancy permit has been issued for that lot. At the first such meeting, two members of the Architectural Control Committee shall be elected for one year terms, and one member for a two year term. At subsequent meetings of the Homeowners Association, their successors shall be elected for two year terms, to replace the member or members of the Architectural Control Committee whose term expires.
